QUOTES

Paul Menard on the 2010 Nationwide Series season:

"I am really looking forward to this season and racing fulltime in both the Cup and Nationwide Series. Last year I ran 16 Nationwide races and we had some decent runs. I think with some consistency – running every weekend and establishing good communication with my team, we should be weekly contenders.

"I'm also eager to work with my teammates at Roush Fenway. Those guys run well and with their support and the support from Ford, I feel like this year has the potential to be great."

Crew chief Matt Puccia on racing at Daytona International Speedway:

“The first race of the season is always exciting...and stressful. We’ve worked all winter to build cars and put together this team and Saturday is the day we’ll see our work hopefully pay off. Paul is a solid race car driver and able to compete with the best of the best. I know if we give him a fast, good-handling Ford, he’ll get it to the front.”
